SKIN BOOSTER PACKAGES

We have designed these bootcamps for the skin to achieve long-lasting results. Our courses of 3 facials work in conjunction to continually improve skin health.

Acne Fighter Pack \$587

The 3 specifically designed facials pack a punch to target acne and congestion. The facials are spaced 2 weeks apart so the skin is noticeably clearer, less red and angry, more refined. Used in conjunction with homecare, your clear skin journey starts here.

Acne can be painful and frustrating. After the 3 facials, the skin is noticeably improved. (includes Acne Formula Supplements)

Results vary depending on the type of acne and severity. After the package, your therapist will help to advise on the next steps for clear, radiant, smooth skin.
